ACH Authorization Agreement For A One-time Payment Upon New Group Setup

Your company (hereinafter "Group") agrees to allow Blue Cross Blue Shield of Arizona (BCBSAZ) initiate a one-time ACH payment from Group's account consistent with the following:

1. The ACH payment will be taken from the U.S. financial institution and account number authorized below in the amount estimated to be the Group's first month's premium payment based on information currently known to the parties, as acknowledged by the Group.
2. Payment shall be considered made when BCBSAZ initiates the ACH payment transaction from the Group's U.S. financial institution on or after the transaction date stated below. If for some reason this ACH payment is unable to be drafted, BCBSAZ will contact the Group to authorize a new payment.
3. Group may terminate the initial ACH payment by providing written notice to BCBSAZ within 72 hours of the transaction. If the Group fails to provide timely written notice but still wishes to cancel the payment, the Group may ask BCBSAZ to process a refund. BCBSAZ cannot re-credit the Group's account more than 72 hours after the account is debited.
4. The Group agrees to be bound by NACHA Operating Rules as they pertain to this transaction and acknowledges that the origination of the transaction must comply with the provisions of U.S. law. Group agrees it will not dispute the transaction with its U.S. financial institution, provided the transaction corresponds with the terms indicated in this authorization form. Any dispute arising out of or relating to the ACH payment will be resolved under the terms of the Group Master Contract between the Group and BCBSAZ.
