

# HUMANIZING THE WORKPLACE

## FULL SERVICE PAYROLL

Big Company technology, small company feel. Not only do we handle paying your employees, but we also take over payroll liabilities. To top it off you will have your own dedicated payroll specialist assigned to your account!

## PAPERLESS ONBOARDING

Your new hire completes everything electronically. Send a customized letter with easy sign up for all standard forms with the ability to upload custom documents.

## HUMAN RESOURCES

Each client receives free access to our HR online portal, giving you a library of HR data at your fingertips!

## BENEFITS AND INSURANCE

We can help with connecting you with Health Insurance, 401k, Workers Comp and more!

## TIME CLOCK

Easy, simple, and robust options are available to suit your business needs.

## AND MORE!

Journey offers a variety of great solutions for your business. Ask for details!

## LOCAL, PERSONAL, HIGH QUALITY SOLUTIONS

Each Journey Payroll & HR office is locally owned. Being within your community, we guarantee you'll receive the best **value**, most **personal**, and highest **quality** complete payroll processing solutions.

Anyone can sell the idea that they're the best. We actually care more about delivering than selling, and – we have the industry leading retention and local ownership groups to prove it.
